1. Eyewear is mandatory during all matches in all divisions. Eyewear is also mandatory during all warm ups and practice games due to WPH insurance regulations. Those not wearing will be warned, then forfeited from the event
2. Scoring format: Best two of three, all games to 15, rally scoring, win by two.
3. Two 60-second timeouts per game per player/team; one 30 sec time out; three-minute break between games.
4. Doubles - One server per inning per team: A short or long serve is a short and the server will serve a second serve. The same partner can serve in every inning, or the teams can alternate in whatever fashion they choose (but, both servers will not serve in the same "side in.")

8. Players must report to the tournament desk 15 minutes before their scheduled start time; 10 minutes late to the court may result in a forfeit, loss of prize money or both. See director for rule questions.
9. Losers must referee on the same court.
10. In the case of round robin, the winner will be determined by the player/team with the most victories. In the case of a tie, the player with the most combined points from their first two games will be used, then head-to-head matchups to break the tie
11. Consolation matches will be one game to 21, rally scoring
12. Official Big Ball is the WPH Ektelon Revolution
